

## Reach New Performance Heights!

ECHO Power Pruners provide extra long reach for fast, easy and safe tree pruning. The light-weight design and comfortable controls ensure maximum operator comfort. A heavy-duty gearbox features dual-sealed bearings, spiral cut steel gears and a manual grease port for maximum lubrication, durability and cutting performance. An automatic, adjustable oiler delivers the right amount of oil, every time, for exceptional chain lubrication. A side-access chain tensioning system makes adjustments quick and convenient. All ECHO Power Pruners are backed by a 5-year consumer and 2-year commercial warranty.
