ENGINE

The ECHO, INCORPORATED TP-3001 water pump is powered by a Wisconsin Robin engine, Model W1-185, specification number PTG305ST501.

If any parts, warranty technical service information or service are required for this engine, contact the ECHO service center nearest your location.

To find your local dealer call 1-800-432-ECHO or www.echo-usa.com

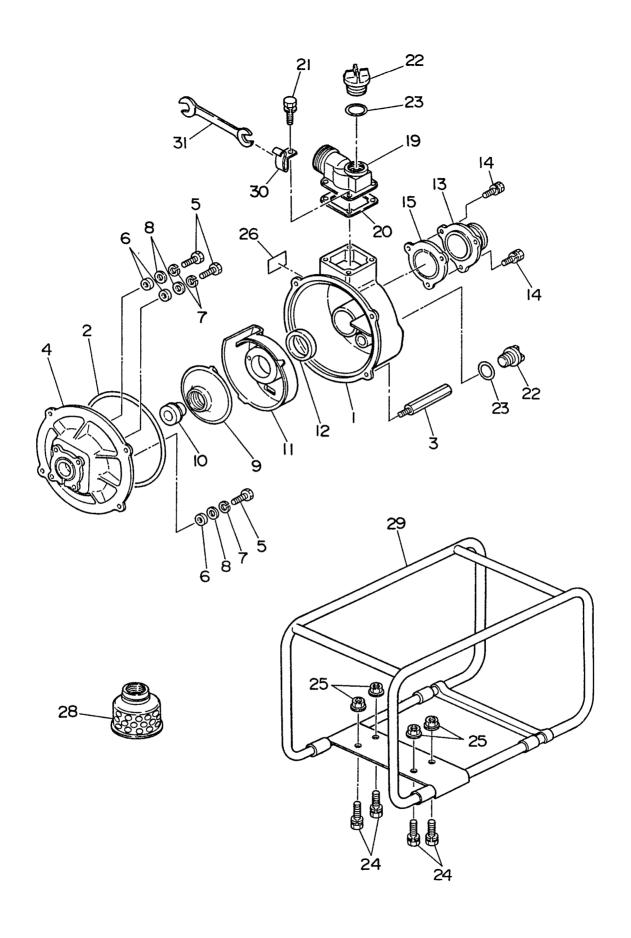

Before informing them of a service requirement, be prepared to supply the following information:

- 1. Engine model found on flywheel shroud.
- 2. Specification number found on flywheel shroud.
- 3. Serial number stamped in crankcase base.

You will also be asked for the hours of use and the date the engine was put into service.

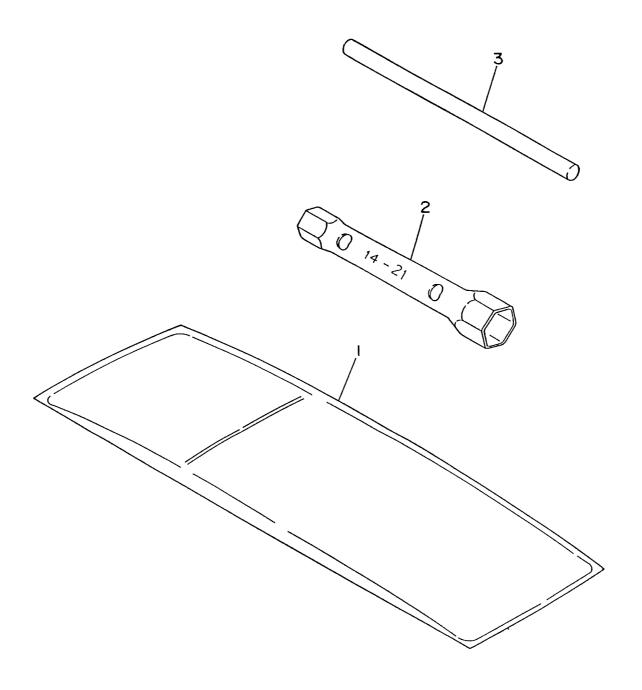

If, for some reason, you are not satisfied with the response you receive please notify this office:
