

GT-225L

CURVED SHAFT TRIMMER

THE BEST OF BOTH WORLDS WITH FEATURES FROM THE GT-225 AND SRM-225!

THE GT-225L SHARES MANY OF THE BEST SELLING SRM-225 FEATURES:

- **Same 21.2cc power head with vibration-reduction engine mount**
 - Increased user comfort for all day operation
- **Same Speed-Feed® 400 head**
 - Reloads in seconds without disassembly
- **Same over-molded right-hand grip**
 - Provides comfortable contoured grip
- **Same i-30™ starter**
 - Reduces pulling effort by 30%

THE GT-225L ALSO SHARES MANY OF THE POPULAR GT-225 FEATURES:

- **Same curved-shaft design**
 - Lightweight, easy to maneuver
- **55" shaft is 7" longer than GT-225, 3" longer than GT-230**
 - Provides extended reach for more comfortable trimming and access to hard-to-reach places
- **Same left-hand grip**
 - Easily adjusts and rotates for operator comfort and edging
- **Same shield with 16" cutting swath**
 - Provides efficient cutting ability
- **Same ball bearing supported trimmer head**
 - Provides heavy-duty, long lasting durability

WHY BUY THE GT-225L vs. THE GT-225?

- ✓ **7" longer reach**
- ✓ **Vibration-reduction engine mount**
- ✓ **Ergonomic over-molded right-hand grip**
- ✓ **Speed Feed® 400 head standard**

WHY BUY THE GT-225L vs. THE SRM-225?

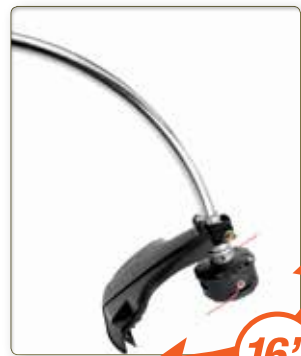

- ✓ **\$20 lower retail price**
 - (\$199 vs. \$219)
- ✓ **0.8 lbs. lighter weight**
 - (11.2 lbs. vs. 12 lbs.)
- ✓ **Curved shaft preference**
